

Reference list for interaction-focused analysis and intervention

Ray Wilkinson, ALF Nyborg, March 2012

Introduction to Conversation Analysis, and to intervention studies using CA

Antaki, C. (Ed.) *Applied Conversation Analysis: Changing Institutional Practices*. Basingstoke: Palgrave Macmillan.

Sidnell, J. (2010). *Conversation analysis: An introduction*. Chichester: Wiley-Blackwell.

CA and communication disorder analyses

Antaki, C. & Wilkinson, R. (in press) Conversation analysis and the study of atypical populations. In: T. Stivers & J. Sidnell (Eds.) *Handbook of Conversation Analysis*. Oxford: Blackwell-Wiley.

Aphasiology, Special Issue, 13; 4/5 (1999)

Goodwin, C. (2003) *Conversation and Brain Damage*. New York: Oxford University Press.

Wilkinson, R. (2008) Conversation analysis and communication disorders. In: M. J. Ball, M. Perkins, N. Müller and S. Howard (eds.) *The Handbook of Clinical Linguistics*. Oxford: Blackwell. (Pp. 92-106).

Interaction-focused intervention in aphasia

Beeke, S., Maxim, J., Best, W., & Cooper, F. (2011). Redesigning therapy for agrammatism: Initial findings from the ongoing evaluation of a conversation-based intervention study. *Journal of Neurolinguistics* 2; 222-236.

Booth S and Perkins L (1999) The use of conversation analysis to guide individualised advice to carers and evaluate change in aphasia: a case study. *Aphasiology* 13; 4-5; 283-304

Burch, K., Wilkinson, R., & Lock, S. (2002) A single case study of conversation-focused therapy for a couple where one partner has aphasia. *British Aphasiology Society Therapy Symposium Proceedings 2002*. British Aphasiology Society: London (Pp. 1-12).

Wilkinson, R. (2010) Interaction-focused intervention: A conversation analytic approach to aphasia therapy. *Journal of Interactional Research in Communication Disorders* 1; 1; 45-68.

Wilkinson, R., Bryan, K., Lock, S. & Sage, K. (2010) Implementing and evaluating aphasia therapy targeted at couples' conversations: A single case study. *Aphasiology* 24; 6; 869-886.

Wilkinson, R. (2011) Changing interactional behaviour: Using conversation analysis in intervention programmes for aphasic conversation. In: C. Antaki (Ed.) *Applied Conversation Analysis: Changing Institutional Practices*. Basingstoke: Palgrave Macmillan. (Pp. 32-53).

Wilkinson, R., Bryan, K., Lock, S., Bayley, K., Maxim, J., Bruce, C., Edmundson, A., & Moir, D. (1998) Therapy using conversation analysis: helping couples adapt to aphasia in conversation. *International Journal of Language and Communication Disorders* 33: 144-149 (Supplement)

Wilkinson, R., Lock, S., Bryan, K. & Sage, K. (2011) Interaction-focused intervention for acquired language disorders: Facilitating mutual adaptation in couples where one partner has aphasia. *International Journal of Speech and Language Pathology* 13;1; 74-87.

Wilkinson, R. & Wielaert, S. (2012) Rehabilitation for aphasic conversation: can we change the everyday talk of people with aphasia and their significant others? *Archives of Physical Medicine and Rehabilitation* 93; Supplement 1; 70-76.

Clinical Resource Pack (for use by speech and language therapists in NHS settings)

Lock, S., Wilkinson, R. & Bryan, K. (2001) *Supporting Partners of People with Aphasia in Relationships and Conversation (SPPARC)*. Bicester: Speechmark Press.

Impairment-focused therapy and conversational change in aphasia

Carragher, M., Conroy, P., Sage, K. & Wilkinson, R. (in press) Can therapy change the everyday conversations of people with aphasia? A review of the literature and future directions. *Aphasiology*

Hickin, J., Herbert, R., Best, W., Howard, D., & Osborne, F. (2006). Efficacy of treatment: Effects on word retrieval and conversation. In C. Pound, J. Marshall & S. Byng (Ed.), *Second Aphasia Therapy File*. Hove, UK: Psychology Press.
