Introduction to the new ESLA Board

In this issue of our newsletter, we will briefly introduce you to the members of the new ESLA Board and their personal and professional mottos.

11th ESLA Congress: statistics and awards

The 11th ESLA Congress was held in Salzburg, Austria, from 26 to 28 May 2022.

We will provide you with a brief recap of attendees, scientific contributions and awards for the best oral and poster contributions.

The first ever hybrid ESLA Congress was a great success thanks to the hard work of the Congress Task Force and the support of logopädieaustria!

What's on?

We are delighted to highlight and promote some upcoming events organised by our member associations and partners.
