

AI and Bilingual Brains: What's next?

Talk by **Brendan Stuart Weekes** Emeritus Professor
at Hong Kong University and Honorary Professor in the School of
Psychology at the University of Melbourne.

When: 6th October 3.15 pm

Where: Det samfundsvidenskabelige Fakultetsbibliotek, Gothersgade 140, 1123
København K, Auditorium 1, <https://samf.ku.dk/pdf/css-kort2018.pdf>

Streaming: Meeting ID: 696 8059 0209; Passcode: 567503; <https://ucph-ku.zoom.us/j/69680590209?pwd=eWV0a2t0M3FpenEydERxbWZadUISZz09>

The talk is free and open to everyone, and is hosted by the Copenhagen Neuropsychology Lab, Department of Psychology, University of Copenhagen.

Professor Brendan Stuart Weekes was the Foundation Chair of Communication Sciences and a Director of Laboratories in Communication, Development and Information Sciences in the Faculty of Education, University Hong Kong (HKU), and a Distinguished Fellow in Humanities and Social Sciences (Research Grants Council of Hong Kong). He is now Emeritus Professor at HKU and Honorary Professor in the School of Psychology at the University of Melbourne. He explores the cognitive and neuro-linguistic conceptualisation of multilingual and multimodal language use, with a focus on how literacy contributes to the research on *Trans-languaging*. He advises on writing systems during UNESCO's Decade of Indigenous Languages (2022-32).
