

The European Speech and Language Therapy Association (ESLA) is assembling dynamic, forward-thinking professionals to help drive our 2025-2027 strategic vision. By serving on an ESLA Task Force (TF) you will

- Amplify the voice and impact of Speech & Language Therapy across Europe.
- Influence policy, education and research at continental level.
- Grow your own project-management and networking skills while collaborating with colleagues from 37 different European countries.

## Who Should Apply?

- Speech & Language Therapists or students keen to contribute on a European stage with skills in events, research, fundraising, communication, policy or education, or simply a passion to learn.
- Team players ready to commit (semi-regular) virtual meetings plus independent task time.

## How To Apply?

Task Force members must be nominated by their respective national ESLA member association. To this end, nominees must write a short Expression of Interest (max. 300 words) that tells us:

- Their current role and experience.
- The strengths they will bring to that Task Force.
- What they hope to gain from the experience.

ESLA member associations are asked to email the respective nominations to [esla@eslaeurope.eu](mailto:esla@eslaeurope.eu) by **31 July 2025**.
